

A woman with blonde hair, wearing a patterned cardigan over a dark top, is smiling and serving food at a dinner table. The table is set with plates, glasses of red wine, and a carafe. Other people are visible in the background, and the scene is lit with warm, ambient lighting.

Acreage

Carrington Grand One 31

The Carrington Grand One 31 offers a unique twist on acreage living. Its side-situated garage makes it ideal for corner blocks, while the facade is designed with large windows and intricate detailing. The spacious master suite at the front of the home offers a view of the yard, while the other bedrooms are located at the rear for privacy. The open-plan living, dining, and kitchen area forms the heart of the home, with the dining area connecting seamlessly to the outdoors. A home theatre provides an escape for movie lovers, and the home office, positioned at the front, offers privacy for remote work. Perfect for rural or residential settings, this design is ideal for family living.

Carrington Grand Two 31

The Carrington Grand Two 31 reflects a typical, yet inspiring Acreage design, with the garage located at the front of the home. Opposite to the Carrington Grand One, the spacious master suite is positioned at the back of the home with sliding doors opening on to the backyard, perfect for those who wish to enjoy the enviable views of their garden or property. The open plan living glistens as beams of natural light dance through the large windows and the adjoining outdoor living. The living, kitchen and dining form the heart of this design, where family can gather together to create magical moments. When it's time for rest and retreat, the bedroom wing sits at the other end of the home, offering privacy for guests and children. The home theatre and home office are both placed at the front of the home, to complete this versatile design. Discover the Carrington Grand Two 31 – a design perfectly adaptable for all lots and lifestyles.
