

A warm, intimate photograph of a woman and a young girl. The woman, with long brown hair, is leaning over the girl, her face close to hers. The girl, also with brown hair, is lying down and smiling broadly, her eyes closed in a joyful expression. She is holding a large, brown teddy bear. The woman is wearing a green button-down shirt over a blue and white striped shirt. The girl is wearing a white shirt and blue denim overalls. The background is dark and out of focus, emphasizing the subjects.

Single Storey

Symphony 29

Simple and open, the Symphony 29 single storey home design will make your heart sing from the moment you open the door. With the accommodation all on one side of the home, you'll love the way the entry draws you down into the light of the airy, open-plan family space at the rear. Here, a designer galley kitchen overlooks the dining and living room opening on to the outdoor living. And if you are craving an extra living space, the fourth bedroom is the perfect space for a home theatre or retreat.

Symphony 31

The composition of the Symphony 31 is slightly larger than the Symphony 29, offering all the instruments required for a growing family. The accommodation and children's activity are situated on one side of the home complete with a study nook and main bathroom. The entryway draws you down to the rear of the home where the home theatre and open plan kitchen, dining and living sit on the other side, separating the socialising and the sleeping. The outdoor living is seamlessly connected to the living and dining for year-round entertaining. If you're craving extra living space, the fourth bedroom, closest to the front master suite is the perfect space for a lounge or home office.
